

FIBROSIS

Correction to the Research Article titled “Serum Amyloid P Inhibits Fibrosis Through FcγR-Dependent Monocyte-Macrophage Regulation in Vivo” by A. P. Castaño *et al.*

Published 9 December 2009; Volume 1 Issue 10 10er1

One institutional affiliation for Shuei-Liong Lin, a co-first author of the paper, was inadvertently omitted. In addition to the Harvard Institutes of Medicine and the Brigham and Women’s Hospital and Harvard Medical School, Dr. Lin is also affiliated with the National Taiwan University Hospital, College of Medicine, Taipei, Taiwan.

The original paper [A. P. Castaño *et al.*, *Sci. Transl. Med.* 1, 5ra13 (2009)], with this correction indicated, can be accessed at <http://stm.sciencemag.org/content/1/5/5ra13.full>
