## A Correction to the Research Article Titled: “Impaired Sphingolipid Synthesis in the Respiratory Tract Induces Airway Hyperreactivity” by T. S. Worgall, A. Veerappan, B. Sung, B. I. Kim, E. Weiner, R. Bholah, R. B. Silver, X.-C. Jiang, S. Worgall

ORMDL3 was incorrectly described as an abbreviation for “orosomuroid-like3.” This has been replaced with “ORM (yeast)-Like protein isoform 3” in both the abstract and page 1 in the introduction. In addition, the following reference has been added as reference 16. The subsequent references have been renumbered accordingly.

F. M. Roelants, D. K. Breslow, A. Muir, J. S. Weissman, J. Thorner, Protein kinase Ypk1 phosphorylates regulatory proteins Orm1 and Orm2 to control sphingolipid homeostasis in *Saccharomyces cerevisiae*. *Proc. Natl. Acad. Sci. U.S.A.* **108**, 19222–19227 (2011).
